One day in the wonderful world of the
Esthetique Kawaii, a single brave soul approached
our editors with the most horrible news ever.

What
could've
been so
bad as to
render
all of our
advertisers
totally
incapacitated?

FROZEN

Was it a
worldwide
shortage of
mallets?
Did those
mallets
come to
life?

Oh, no!
It was
something
much more
outrageous.

Because the teacher on the cover was posing, I tried to copy his posture.

Because Asami thought books were the most interesting thing, she basically never watched TV.

She would only ever watch TV or dramas if they were adapted from a novel. It is because of this personality that she could never really talk with her friends. (sigh).

Even her mother and her one-year-old sister (who had appeared for a moment) thought she was a strange child.

To have no one understand the one thing she loved the most, Asami was, in truth, a little lonely.

"Well students, the thing that's sometimes called a river, or is also sometimes called a trace of flowing water, that happy white river, do you students know what that truly is?"

"Giovanni felt that Campanella would always need to stay in this end of the galaxy. He couldn't help but be filled with helpless sadness."

If you enjoy this, I
will be so happy.

This manga was originally
meant to be a one-shot,
but afterwards it turned
into a joint collaboration
for a four-chapter series.

It's already been a
half-year since
the publication of this
dark story, "Hysteria",
so the style has
changed a bit already.

Oh it's improved. First
that'd be great.

"1000 Page Hysteria"
is my first piece
that's been re-
quested to anime.

To allow Akemi and
Hagakure-san to
meet again, this
makes me very happy.

So it's
like that?

he had
one good
friend
called

but
recently

they
rarely
now play
together.

even though
he was
always being
bullied by
the kids in
his class,

On the
night of
a Festival

Genaro, who
was playing
alone on a
small hill, heard
a mysterious
noise.

He
arrived at
the little

alone.

The little
hill
alone.

When
Susanne
became
conscious,

he was already
sitting with
Comperella on a
train that was
speeding along
the Milky Way

Leading the two
into a journey
through the
mysterious world

*They
encountered

and then:

LET'S
BOTH GO.

Suddenly,
Campanella
disappeared
without a trace.

Only when
Spirans woke
up on the hill
did he realize
the truth.

IT'S BEEN
AS LONG
SINCE HE
FELL AS

IT'S
ALREADY
TOO LATE

I CAN'T FIND
CAMPANELLA
ANYWHERE

he secretly
fixed his
own life.

Campanella was
actually at the
festival
in order to
save his friend
who fell into
the river.
